

## The Brauer Family

My family is pretty wierd. Their kind of hard to explain. We all have jobs. I'll get to that later. We all go to school or work. To Sundays ago, we went to Chicago for one day. We went to the top of the world (The Sears Tower). Well, back to explaining them. This is about my brother Mike.

Mike is in eighth grade. He is in Student Counsel. Mike is almost blind in his left eye! It all happend when my other brother's suspender snapped in his eye. He doesn't wear glasses and he always throws me on the floor.

John is in sixth grade. He plays football. John can make real wierd noises. He is 11 years old, and he is fairly nice to me.

My Mom is nice. She works at MN Dot. She likes

to bug me alot. otherwise,  
she is very nice. Her name is Mary  
My dad's name is Mark.  
He works at Northwest Airlines,  
We get to fly for almost  
nothing. He is nice and he  
makes very good pizza.
