

John
Age 8

Neatly
done, John!

When I was young.

When I was young I sucked
my thumb which I think is dumb.
I also had a blanket. My first word
was dada (dad). When my dad came home
I would say da-da. My mom said I
was second biggest. When I was three
months old I threw up alot and my
catt Snoopy would lick it up!

mom's helper! :-)

Good job!
